

## Announcements

1. The new year will be beginning in a couple of weeks and that means Passover and the Feast of Unleavened Bread will be upon us. We will be getting together on the first and last day of the feast (they are Sabbaths) from 2:00 PM to 5:00 PM so if you desire to fellowship those two Sabbaths, we look forward to it.
2. On the Internet, the Wiki for "Hebrew Roots" has undergone some serious editing. Please check us out and give us any feedback you think is necessary.
3. Our Meeting April 2nd will not be in Mechanicsville but in Ashland. Check the location.
4. Our study on the first Sabbath will focus on a request from Costa Rica concerning weekly Sabbaths and what are some do(s) and don't(s). I'll be providing a list to discuss.

### What Yeshua said about his Purpose

Matthew 5:17 Do not suppose that I have any intention of doing away with the Torah or the Prophets. My purpose is rather to place them on a firmer footing by interpreting them correctly in terms of God's ultimate will as He originally intended for His commandments to be obeyed.

*The Law of God, also known as the Torah, emanates from the abiding goodness of God's nature and thus stands forever, God being unchangeable. When we observe the Torah, it is a reflection of His Divine Nature resident within us.*

## Today's Torah Portion Leviticus 6:1 — 8:36

1. Leviticus 8:9 demonstrates that the high priest wore a "head covering" and there is nothing in Scripture that denotes this is a problem for the high priest. What are the implications of this when considering Paul's shame motif in 1 Corinthians 11:7 as he argues for that a man should not "cover" his head?
2. Leviticus 8:23-24 discusses an aspect of the ordination ceremony for Aaron and his sons. It mentions Moses taking blood of the slaughtered ram and placing some of it on the lobe of Aaron's right (not left) ear, on the thumb of his right hand (not left), and on the big toe of his right foot (not left). What does this signify for us today when there is no sacrifice but there are surely times when some are ordained?
3. In Esther 9:6-10, the 10 sons of Haman have been killed (confirmed by the words of the king in v12). Why would Esther desire for the dead sons of Haman to be hanged and why would the king grant such a request if they were already dead?

### Peer Review: Fulfilling Scripture

**1 Thessalonians 5:21** Test everything! Grasp a hold of that which is determined to be true.

**Proverb 18:17** The first to present his case seems right, until another comes forward and examines him.

**Peer Review** is a process that journals and white papers use to ensure the information that is published represents the best scholarship currently available.

What should happen is that when a journal or white paper is ready to be published, the editors should send it out to other scholars to get their opinion on the quality of the scholarship, its relevance to the field, its appropriateness for publication, an evaluation of its sources, etc. Unfortunately, for the Hebrew Roots world, this seldom happens.

We, at the House of David Fellowship, will attempt to help fill this void. We hope to finish our first assignment in February. We will publish the results on our Blog for public consumption and debate.

### Frequently Used Terms
